

SPF MISSION STATEMENT

SPF strives to provide an opportunity for parents/carer's to become involved in the decision making processes that affect local families living in Solihull. We will create an environment for parents/carer's to raise issues in an open and transparent way. SPF recognises and values equality and will endeavour to be inclusive, reflecting the diversity across the borough.

BENEFITS OF BECOMING A MEMBER OF SPF

1. You will represent parents at both strategic and operational levels on professional bodies and other agencies
2. You will raise awareness of local issues affecting parents/carers and their families to bring about positive change
3. You will seek to engage parents/carers through consultation activity by empowering them to shape children's services
4. You will work in partnership with key professionals focusing on key priorities i.e. education, health, housing, crime and equalities
5. You will disseminate information relating to parents/carer's and their families
